A TERRIBLE ACCIDENT.

The Draytons Finally Make Up.

GOV. MARKHAM POSTPONES AN EXECUTION.

Cholera Marches Into Russia—Severely Bitten by a Dog.

Special to the APPEAL

Terrible Accident.

Lynchburg, Va., June 29.—A terrible accident occurred here this morning. While a number of men were erecting a brick wall on a building undergoing repairs, the wall suddenly gave way, burying twelve men in the ruins. Three were killed, four badly hurt and two slightly injured.

They Kiss and Make Up.

New York, June 29.—All doubt concerning the reconciliation of Mr. and Mrs. J. Coleman Drayton are set at rest. Mrs. Drayton will sail for Europe on July 6th, to remain until fall. Mr. Drayton will remain here in charge of the children. When Mrs. Drayton returns the family will be reunited.

Execution Postponed.

San Francisco, June 29.—Governor refused on the 22nd inst. to commute sentence of death of George W. H. Bragley, who was to have been executed at Santa Rosa tomorrow, but today he permitted postponement of execution 30 days.

Cholera in Russia.

London, June 29.—The cholera mortality rate has increased, as the enfeebled and sickly condition of the people renders them incapable of resisting the scourge.

Bitten by a Dog.

Yreka, Cal., June 29.—O. S. Hewitt, a well known mining man, lately of Amador, was dangerously bitten in the right hand by a vicious dog last night at Klamath river, 14 miles from here. He is now in Yreka where his wounds are being treated.

A Rowdy Shot.

San Francisco, June 29.—This morning Officer Thompson attempted to arrest Robert Kirlin, a plasterer. Kirlin was attacking him with a large knife, when the policeman shot him through the heart.

THE TRUE BUSINESS.

The Reciprocity Doctrine Applied to California.

California, who draws its substance from Nevada, and always fights and maligns us, is not disposed to do much for us in our silver fight. The silver league of Tuscarora has struck the key note in the following preamble and resolutions:

Whereas, During the past thirty years the wholesale dealers of the State of California have been waxing fat and wealthy, the capitalists, bankers and brokers have been accumulating riches and power, the manufacturers and corporations have firmly established themselves in their different lines of business, and every town and hamlet throughout the State has been materially benefited by the unaided efforts of the miners of Nevada and other silver producing States and

Whereas, The citizens of these silver producing States—the former donors to the wealth and power of California—are now gasping for breath and struggling for an existence by reason of the cowardly and treacherous blows aimed at our only industry by the powers of London and Wall Street, and

Whereas, Our repeated calls for the sympathy of Californians (which we had every right to expect) and action in our behalf, has not only been unheeded but, with a few honorable exceptions, they have joined the hue and cry against our only industry, and with the blackest ingratitude openly assisted those who would impoverish our citizens; therefore, be it

Resolved, That from and after August 1, 1892, we, silver producing miners and business men of Tuscarora, mutually agree that we will not patronize or support any man or firm in any branch of business within the boundary lines of the State of California who is not positively in favor of the free coinage of silver.

Resolved, That we invite the co-operation of all having an interest in the remonetization of silver.

Resolved, That a copy of the above be forwarded to those with whom we are doing business in California.

To the faithful performance of all which we herewith attach our respective signatures and pledge each to the other our business integrity.

The gold bugs are now indifferent as to whether Cleveland or Harrison is elected. Their man will win in either event.

A LIE IMPROPERLY NAILED.

The Tribune in Its Usual Ridiculous Position.

Whenever the Tribune attempts to do anything it always makes a ridiculous mess of it. Last evening it attempted to "nail a lie" and in order to do so called in the Fourth of July Committee and the Weather Service, charging Bob Davis of the APPEAL had been sending incorrect telegrams regarding the temperature. In this connection the following correspondence speaks for itself:

MISS MARY BURKE, Western Union Operator.

DEAR MADAM:—A dispatch appears in today's Enterprise, from this city to the effect that the temperature was "about 95 for the past three days." Please state how the dispatch was filed by me and sent from your office?

Respectfully,
BOB DAVIS.

MR. BOB DAVIS,
DEAR SIR:—The dispatch filed by you read that "the thermometer had passed 90 during the last three days."

Respectfully,
MARY BURKE.

In support of the authority of the dispatch filed by Mr. Davis the following weather report made by Chas. Friend the State Meteorologist is hereby subjoined:

Maximum temperature for June 26, 92.

Maximum temperature for June 27, 91.

The original dispatch is still on file in the Western Union office and can be seen by anyone who calls.

According to Mr. Friend's statement the report sent to the Associate Press by Mr. Davis was correct.

The dispatch was either improperly received at the Virginia office or falsified in the Enterprise office in order to help spoil the celebration of the fourth by keeping people away from Carson.

The celebration is such an assured success that nothing on earth but an earthquake can spoil it, unless it is the foolish attempt of the Tribune to kick up a row. The Tribune in its anxiety to show a little petty spite has dragged two estimable gentlemen into its ridiculous mess.

Next time Mr. Friend and Mr. Hofer want to get correct information they will save time and stationery by calling at this office.

Minstrels Tonight.

Haverly's Minstrels will give the people a great treat this evening. Anything with Haverly's name attached in the Minstrel line needs no recommendation.

ALL SORTS.

A patriotic feeling has already begun to pervade the atmosphere.

The firemen propose to form a big feature of the procession on the 4th.

A one horse lawn mower is now in operation on the Capitol square.

Mrs. D. W. Dowe and child, of Elko are visiting Mrs. N. E. Scofield of this city.

Everybody is now hustling at a lively rate to get ready to entertain visitors on the Fourth.

The Pacific Coast Printer contains an excellent likeness and sketch of Wells Drury of the Sacramento News.

The people of Nevada have now an opportunity to show whether they are mere partisans or free silver men.

Hill does some beautiful talking about his fealty to the ticket but everybody knows that he has a knife up each sleeve.

Judge Healy would be willing to run as a Presidential elector on the Democratic ticket and furnish the campaign poetry.

For reason of its being so near the 4th of July the Presbyterian Sunday School Picnic has been postponed to Tuesday July 12th.

Owing to the noise of passing vehicles and other inconveniences, it has been resolved to give the Carson High School exercises at Odd Fellows' Hall this evening, commencing promptly at 7:30 o'clock.

Mrs. G. W. Cassidy has been in a very critical condition since the death of her husband. The lady is the guest of Mrs. Richard Ryland, Dr. Bergstein, who is attending her, says she is somewhat better.

The Tribune has not been slobbering over the legal ring in this county lately. They called on the proprietor in a body a few weeks ago and begged him to let up, as it was killing their legal reputations.

Teachers Relected.

At a regular meeting of the School Trustees, held June 29 the following teachers were relected:

Principal, Prof. H. H. Howe, Assistants, Miss Kate Bardenwerper, Mrs. M. L. Brunsey, Misses Bertha Wagner, Clara Wasson, May Gillooly, Addie Morton, Mabel French, Minnie Mills, Mary Roberts, Lillie Swift.

The Fizzing Soda.

In these days and sweltering heat, when the sun beats on your head all day and makes the blood bubble in your veins, there is but one thing to do, go to the Eagle Pharmacy and put some of that delicious ice cream soda on your inside.

Proclamation.

Whereas: At a special meeting of the Board of Trustees of Carson City held June 23rd, 1892, the President of the said Board was authorized and directed to issue a proclamation requesting the citizens of Carson, jointly and individually, to contribute towards a becoming observance of Independence Day by a general decoration of our city;

Therefore, I, T. R. Hofer, President of the Board of Trustees of Carson City, do urgently request the good people of Carson City in general, and those upon the Line of March hereafter to be published by the Grand Marshal of the Day, in particular, to decorate their places of business and their homes as attractively as their abilities will permit, that our guests and visitors may long and pleasantly remember JULY FOURTH 1892.

By,
T. R. HOFER,
President Board of Trustees.

WHY

THAT IS THE QUESTION.

Can you go to the EMPORIUM and know you will get the worth of your money?

BECAUSE

Abe treats you well; gives you one price, and tells you frankly if your purchase is cotton or wool, and if it will wash and wear.
